

ABC Banking posts Rs 381 million Profit After Tax, up to 48% year-on-year

Port Louis, 30 September 2025 – ABC Banking has reported a strong financial performance for the financial year ended 30 June 2025, achieving a Profit after Tax of Rs 380.6 million, representing a 48% increase compared to Rs 257.7 million the previous year.

Operating income rose by 24.2%, increasing from Rs 849.6 million to Rs 1,054.8 million. This growth was primarily driven by a 12.3% increase in interest income, which reached Rs 1,439.2 million (2024: Rs 1,281.3 million), largely supported by the expansion of the loan book to Rs 18 billion as at June 2025.

The increase in operating income also includes an exceptional item of Rs 146.5 million resulting from the gain on disposal of the bank's three properties as part of the corporate reorganisation under ABCB Holdings Limited.

Moreover, deposits rose by 29.0% to reach Rs 28.8 billion as of 30 June 2025, compared to Rs 22.4 billion a year earlier, mainly driven by inflows from international banking customers.

The Cost-to-Income ratio improved from 60.0% to 56.4%, benefiting from higher operating income as well as continued efforts to streamline operations, enhance productivity and digital transformation.

Commenting on the results, Brian Ah-Chuen, Managing Director of ABC Banking stated that the bank has continued to deliver a resilient performance while laying the foundations for future growth. *"We remain committed to creating value for our stakeholders while pursuing operational efficiency and strengthening our position as a trusted partner in the financial sector."*
